# LISMAN UPDATE

## KEEP YOUR HEAD COOL IN THESE CHALLENGING TIMES!

I feel honored to introduce myself as the new General Manager at Lisman Forklifts. My responsibilities include managing the operational and financial departments of Lisman Forklifts. Together with Koen Lisman and the rest of the management team, we are navigating Lisman Forklifts into the next phase of growth.

Shortly after starting on February 1st, it became clear to me just how much passion goes into working at Lisman. The result of this strong corporate culture are high-quality forklifts accompanied with the service that you deserve.

In this brand new XXL brochure, we present our finest collection of used forklift trucks. You will find only trucks of excellent quality with very good specifications and attractive hour readings. The trucks have all been inspected and prepared by our team of technical specialists and are therefore ready for their next life.

Currently, a lot is happening on the world stage – which is impacting all of us in some way. At Lisman, even during these challenging times, we strive to work closely with you to ensure that the requested machines are still delivered on time, no matter where you are located in the world.

**To ensure you keep your head cool this summer, we are pleased to provide a luxury cool box with your next purchase at Lisman Forklifts!**

We hope to see you soon. Thank you for being our customer!

Kind regards,

Floris Meijer
