XXL-EDITION

LISMAN UPDATE

PIZZA, PASSION & PARTNERSHIP – A PERSONAL NOTE FROM ME TO YOU

As a big pizza lover and machine enthusiast, I couldn't be more excited to introduce our new XXL Edition. After 14 years at Lisman, this is the first time I've had the chance to bring together two of my greatest passions: food and materials handling equipment!

At first it might sound strange: what does a forklift have to do with a pizza? But actually, they have more in common than you'd think. At Lisman, whether it's a forklift or a pizza, we treat everything with the same respect: we value quality, transparency, and authenticity. That's how we approach every deal—with honesty and dedication—and it's also how we share special moments, like this one, with our partners.

To celebrate this, we're delighted to gift you a premium pizza oven. When choosing it, I imagined you, dear customer, enjoying a relaxing Friday

evening with your loved ones—sharing a delicious meal after a busy week of buying, selling, and servicing machines.

I hope that, while enjoying your homemade pizza, you'll be reminded of the quality of our machines and the strength of our partnership. And to make the experience even more special, I've included my own Italian pizza recipe with some personal tips. As you may know, we Italians take our food very seriously—so I kindly ask you to follow the recipe closely!

While you're thinking about pizza, don't forget to check out our fresh and exclusive XXL stock. We hope you'll find the perfect unit—and close a great deal that makes both your business -and your tummy- happy.

Buon appetito and happy dealing!

Warm regards,
Elisa Cava
